9/17/83

Harold – This is what's brewing for the 20th anniversary: either a sensation or a gigantic disinformation plot and/or scheme to kill. I Think Bud is leery but also intrigued. I am taking the liberty of sending it to you without asking his permission, so keep it under wraps. There is a lot of background, but it will have to wait until I can talk to you in person and not over the phone.

Jim
